Correction for Melissa King Stansbery's address:

Remember in Prayer:

Mina's husband, Max, slipped and fell week before last, and complications after surgery led to the necessity to keep him sedated. He has not recovered, and the family has been told they will need to make a decision soon. Their daughter flew in from Germany to be here.

Majid Tafighi, Mina's brother-in-law, received good news after one round of radiation for his brain tumor. He is still undergoing Chemo for the cancer in his lungs, however. **Melissa** is thankful that mother, **Maxine King**, has been moved from the hospital to a good temporary care facility for twenty days.

Melissa's back is somewhat better too!

Minnie's father is in hospice, and his mind is still very clear, but his body is failing.

Minnie has been suffering pain from Sciatica, and although her pain has become intermittent rather than constant, pray for complete relief!

Pray for **Ruthie's nephew** as he goes through radiation and chemotherapy after his recent brain surgery.

Ruthie seems to be dealing with one issue after another, so keep her in your prayers!

Vickie's sister-in-law, Gaye, is choosing not to undergo chemotherapy again for the cancer in her lungs, but it is now in her liver as well. She is doing pretty well, but she is now in hospice.

Shirley has been placed in hospice. She had a good week last week, so keep praying for more!

Pat Stewart has been placed on hospice because her doctor felt that the treatments for her cancer were causing more harm than good.

In addition to his near total paralysis, **Kirk Stewart** has painful sores on his head, and now in other places as well. Their cause is unknown.

Karen has two orchestra friends, **Jon** and **Wayne**, who have cancer, and a colleague, **Trish**, who also has cancer,.

Galina Gurova, a friend of **Melissa**, has lymphoma.

Blake Budai, Blair's brother, still lacks mobility. May God work in his body and heart.

Pray for the health of **Bob Rivera**.

Praise:

Cindy's granddaughter **Hannah** is doing well, **Randy** is good, **Tessa** is doing well also.

Cheryl's grandson **Aiden** is doing really great with no more heart related symptoms. Please just keep him in your private prayers for continued good health.

Thanks to everyone for all the prayers and thoughtfulness and a big praise to God for his healing powers.

Always Remember:

Those in the military, especially **Joseph Budai**, **Sheri Huckabay's** nephew, **Jason Adams**, and **Patty Johnson's** grandson, **Andrew Thompson**

The children and staff at **Manuelito Navajo Children's Home**

Those serving in other mission fields, including Blair's friend **Sandeep** in India

Pray for the homeless, and pray for **Blair** as he works to minister to them.

Those suffering in Ukraine and Russia. Many have lost loved ones in the fighting.

Those suffering in Israel and Gaza as a result of the terrorist attacks and war.
